**ORDER GRANTING  
PLAINTIFFS' MOTION FOR APPROVAL OF ATTORNEYS' FEES, EXPENSES,  
AND SERVICE AWARD FROM CLASS ACTION SETTLEMENT FUND**

This matter is before the Court on Plaintiffs' Motion for Approval of Attorneys' Fees, Expenses, and Service Award from Class Action Settlement Fund, and the Court, being duly advised now finds that the motion should be, and hereby, is GRANTED.

THE COURT FINDS AND CONCLUDES AS FOLLOWS:

1. By separate Order, the Court has granted final approval to the class action settlement of this case, which, among other things, creates a non-reversionary Settlement Fund of \$1,300,000.
2. Plaintiffs have applied to the Court for approval of the following payments from the Settlement Fund: (a) attorneys' fees to Class Counsel in the amount of \$433,333.33 (one-third of the Settlement Fund); (b) reimbursement of litigation expenses to Class Counsel in the amount of \$12,836.38; and (c) a service award of \$2,500 (\$7,500 total) to each of the three named Plaintiffs.

3. The Court finds that each of the requested payments is fair and reasonable under the applicable standards and should be approved.

4. With respect to the requested fee, the Court has considered the factors set forth in Iowa Rule of Civil Procedure 275(3) and Iowa Rule of Professional Conduct 1.5(a). The Court finds that the request for a one-third fee is in line with fees awarded in similar cases and that it is reasonable and justified by the relevant factors, including: (1) the time and labor required, including the nature, extent, quality, and skill of services rendered; (2) the results achieved; (3) the magnitude complexity, and uniqueness of the litigation; (4) the contingent nature of success; and (5) the experience, reputation, and ability of counsel.

5. With respect to the requested reimbursement of litigation expenses, the Court finds the request reasonable in that the expenses are comprised of normal litigation expenses, the overwhelming majority of which are mediator fees, along with other standard filing and related fees.

6. With respect to the requested service awards, the Court finds that the requests for \$2,500 each are well within the range awarded in similar litigation and are appropriate to recognize the time and effort of the named representatives in achieving a settlement that will benefit thousands of other Class Members.

ACCORDINGLY, IT IS HEREBY ORDERED ADJUDGED AND DECREED THAT from the \$1,300,000 Settlement Fund, the Settlement Administrator is hereby authorized and ordered to make the following payments in accordance with the terms of the settlement agreement:

A. \$433,333.33 to Class Counsel as attorneys' fees;

B. \$12,836.38 to Class Counsel as reimbursement of litigation expenses; and

C. \$2,500 each (\$7,500 total) to Class Representatives Brandi Bell, Brandie Keegan, and  
Brandi Keegan on behalf of her minor child E.S.

THERE BEING NO JUST REASON FOR DELAY, LET JUDGMENT BE ENTERED  
ACCORDINGLY.

IT IS SO ORDERED.
